Participation in authorized inactive duty training, a parade or exhibition is also covered. No benefit is payable for any loss that occurs during active duty.

EXPOSURE AND DISAPPEARANCE

If either you or your covered dependent is exposed to the elements due to a covered accident, any loss will be considered as a result of any injury; or if involved in an accident while riding in a conveyance which sinks or disappears, it will be presumed that loss of life was suffered if the body is not found within one year.

Your coverage terminates on June 30th coinciding with or next following the date: 1) the policy terminates; 2) you are no longer eligible; or 3) you fail to make the necessary premium payment, whichever occurs first.

Your dependents are automatically terminated when you are no longer covered under the program or they no longer qualify as a dependent.
