SAVED OVER \$2.5 MILLION!

Local Association Team

We provide a consultative approach to help you create a desirable benefit portfolio. Our strong customer support team helps ease the process of addressing health care needs.

Opportunity For Cost Savings

As a small group of 1–50 employees, you can access plans that give you “strength in numbers.” For rating purposes you’re seen as a large employer, and not subject to Adjusted Community Rating.

For groups with 51-99 eligible employees, UnitedHealthcare is offering a premium discount and a renewal rate cap of 9% for the first renewal.

More Plan Options

UnitedHealthcare offers plan flexibility with dozens of plan designs to choose from – allowing flexibility in options to balance costs. Consumer driven plan flexibility includes high deductible options, health reimbursement accounts (HRA’s) and health savings accounts (HSA’s). Customized 45 plan package for the WBA Association Health Plan Employers.

Easy To Convert Coverages

Our array of plans, doctors, and services are similar to what members already have, making for a smooth transition.

Strong National Network

Employees have access to a large national network of over 1.2 million doctors and 6,400 hospitals, plus quality outreach, advocacy, and wellness programs.

Convenient Resources For Members

Mobile, online, or person-to-person resources that help members make well informed choices about their health needs.

More Options Just Added!

UHC Rewards allows participants to earn up to \$1,000 by participating in a variety of tasks and activities. For example, track your daily steps or take a health survey. You decide which activities to participate in, and how to spend your rewards.
